

**Nelson Primary School**  
**Inspiring Ambition, Achieving Success**  
**Weekly Homework Tasks**

**Key Stage 2 Year 6**

**w/c 9.10.17**

Homework books will be collected in on Monday and will be returned on Tuesday.

<p style="text-align: center;"><b>Reading</b></p> <p>Each child will take a reading book home from the reading wristband book list</p>	<p><b>Please read aloud to an adult every day.</b> <b>Please record in your reading record book the pages that you have read each day.</b> <b>Remember to bring your book and reading record to school every day.</b></p>
<p style="text-align: center;"><b>Comprehension</b></p>	<p>For this week we would like you to practise questions that require you to make two points or find two different things from the text. Read the extract from Robin Hood and the Golden Arrow carefully and answer the questions about it. Make sure you make two different points or give two different examples for each question.</p>
<p style="text-align: center;"><b>Maths</b></p> <p>Please practise your RNR facts ready for your test on Friday.</p>	<p><b>Maths Rapid Recall: Target 6.1</b> <b>Double any number with up to 1 decimal place.</b> This target is about being able to double a number with one decimal place, e.g. Double 5.4 is 10.8 You could: Ask: Which number did you double to get the answer 6.4 ? How do you know? Practise using your test sheets in your homework book.</p>
<p style="text-align: center;"><b>Maths times tables</b></p>	<p>Practise your times tables – the timed times table test will be in Monday.</p>
<p style="text-align: center;"><b>Maths essential knowledge</b></p>	<p>From now on, each week we will be giving you one maths fact which is part of the essential knowledge that you will need to know. We may give you an activity or something to practise this knowledge. This week we would like you to revise prime numbers. Prime numbers are numbers that only have factors of the number itself and 1. For example, the first prime number is 2 - 2 can only be divided by 1 and itself, 2. In your books, please write out all prime numbers up to 15. ( hint : there are 6 of them ).</p>
<p style="text-align: center;"><b>Spelling</b></p>	<p>Practise the next ten words in the list of year 5/6 words in your Reading records for a test on Tuesday. Make sure you know what each word means.</p>
