#### The Selfish Crocodile-

Deep in the forest, in the river, lived a large crocodile. He was a very selfish crocodile. He didn't want any other animals and fish to drink or bathe in the river. He thought it was HIS river.

Every day, he shouted to the animals in the forest, "Stay away from my river! It's My river! If you come in my river, I'll eat you all!" So there were no fish, no tadpoles, no frogs, no crabs, no crayfish in the river. All were afraid of the selfish crocodile.

The forest animals kept away from the river as well. Whenever they were thirsty, they went for miles to drink in other rivers and streams.

1. Why did the forest animals go for miles to find water to drink? Write one.
