

Key Stage 1 Year 2 W/C 13.11.18

Homework books **must be in school on Monday** and it will be returned on Tuesday.

## Reading

Please read aloud to an adult every day. Write a summary of what you have read or discuss the story with an adult. Please record in your reading record book the pages that you have read each day. **Remember to bring your book and reading record to school every day.** Please visit Nelson School Library or East Ham Library for your reading wristband books.

## Maths

Please practise your **Maths facts: x5** ready for your **test on Friday**. This is about knowing all the multiplication facts in the **five times table**. It is important that children can also use words other than 'times', e.g. lots of, multiplied by, sets of... etc. For example, you could: Say: What is the number before 30 in the 5x table? Or what is the answer to  $8 \times 5$ ? 9 multiplied by five equals, 10 lots of 5 is...

### Comprehension - Honeybees

#### Why do bees sting?

A honeybee will often not sting, except when it is stepped on or handled roughly. If a bee is buzzing around you, it may smell perfume or soap and think the smell is nectar or food. The bees will check you out to see if it can find the nectar, but if you stand very still, it will realise there is no nectar and go away.

Did you know?

A bee's stinger contains poison. It stays in the animal or person that has been stung.

Honeybees have large eyes to help them find flowers. They also do a special dance to show each other where to find the best nectar.

6. Why should you be careful when handling bees?

7a. What should you do if a honeybee buzzes around you?

7b. Why should you do this?

8. How do bees work together to find nectar? Write one.

They stay very still near flowers.

They sting people and animals.

They do a dance to point the way.

They visit flowers to find the best nectar.

### Spelling -

again busy people water Mr Mrs parents half money Christmas

Please make sure you write your sentences in your homework books.
