Weekly Homework Tasks

Key Stage 2 Year 6 W/C 12.3.18

Homework books **must be in school on Monday** and will be returned on Tuesday.

Reading

Please read aloud to an adult **every day**. Please record in your reading record book the pages that you have read each day. **Remember to bring your book and reading record to school every day.** Please visit Nelson School Library or East Ham Library for your books.

Maths

Please practise your **times tables** ready for the times table test on **Monday**, and your **maths facts** ready for your test on **Friday**. This week the Friday test will be on **Know all decimals that total 1 (up to 2 decimal places) 6.6. This target is about knowing the pairs of numbers that add up to make 1. This is really useful when dealing with money. Example: $0.27 + 0.73 = 1$** This is useful to think of in pence adding up to one pound. You could think in terms of, and practise questions like : How much change will I have from £1 if I spend 29p ?

1 .You must **ensure you know the meaning of the word**. -use a dictionary to help you if you are unsure.

2. Write a sentence for each of the words. You can include more than one word in a sentence **as long as it makes sense and shows that you understand the word.**

3. Practise and study all of the spelling words ready for the Tuesday Spelling Test.

Comprehension : summarising main ideas.

This week we are looking at summarising main ideas from texts. This was a type of question that many of you struggled with in last week's reading test. Within a text, each paragraph has a key concept or idea. The main ideas are the most important pieces of information that the writer wants you to know. You should read the paragraphs carefully and decide on the **main** thing that each text is about.
