## Comprehension

Read your text and complete the comprehension questions in your homework book. Do not forget your homework book with your completed homework. **Your homework MUST be in school on MONDAY** so you can go over your work and answers with your teacher.

When answering these questions, you will need to re-read and refer to the text already in your homework book.

# Stone Age Stew

**10** A hearty and warming stone age stew is a welcome  
**19** luxury after a long day of hunting and gathering.

**29** First, you will need to prepare the stock. For a  
**37** flavoursome and rich-tasting stock, you must use  
**46** the finest and freshest herbs so scavenge the woods  
**54** for juniper berries, nettle leaves, sunflower seeds and  
**65** hazelnuts. Add them to water in a large stone pot and  
**76** drop in some red-hot stones to heat the mixture. Why  
**85** not include some mammoth blood to give the stock  
**89** a deep, earthy flavour?

**96** Next, roast today's catch over the fire  
**103** on a spit. When blackened, chop it  
**111** into small pieces and add it into your  
**118** stock. Keep stirring so that your stew  
**124** does not congeal. Serve piping hot  
**133** with a fresh lump of bone on the side.
