

**Nelson Primary School**  
**Inspiring Ambition, Achieving Success**  
**Weekly Homework Tasks**

**Key Stage 2 Year 6 W/C 8.5.18**

Homework books **must be in school on Monday** and will be returned on Tuesday.

### Reading

Please read aloud to an adult **every day**. Please record in your reading record book the pages that you have read each day. **Remember to bring your book and reading record to school every day.** Please visit Nelson School Library or East Ham Library for your books.

### Maths

Please practise your **times tables** ready for the times table test on **Monday**, and your **maths facts** ready for your test on **Friday**. This week the Friday test will be on **decimal/fraction and percentage equivalents Step 7.1**. This target is about knowing the equivalence between a decimal, fraction and percentage, e.g.  $0.75 = \frac{3}{4} = 75$ . This is essential knowledge ready for the maths SATs. Read the appropriate sections in your maths revision book, **then** work through the questions in your maths books. The answers will be discussed in class so you need to remember to bring your white practise maths books to our maths class. Keep your blue revision guides at home.

Anything you feel you are weaker on		Anything you feel you are weaker on		Complete any unfinished sections	Complete any unfinished sections

**Maths essential facts for this week :** Make sure you know the conversions – ml – l , g to kg, mm – cm, cm- m, and m – km. These will inevitably come up next week. Also revise other facts like angles in a triangle ( 180 degrees) angles in a quadrilateral ( 360 degrees) a circle ( 360 degrees), radius is 2x diameter, decimal fraction and percentage conversions and ask an adult in your house to give you some arithmetic questions to practise.

### **Spelling - your spelling words this week: ( from previous SATs spellings )**

**Look through all your spellings and spelling tests from this year and also the National Curriculum words in your reading records. Test yourself on these.**

Make sure you know how to spell words with double consonants ( like really, topping, hopping ) and words with silent letters ( know, knight, calm ) as well as words with 'ough' in them ( cough, bought, brought, dough ) and unusual plurals – ( children, men, women, fish, deer).

### **Comprehension.**

No comprehension this week – just remember each piece of text is there with the purpose of informing, entertaining or persuading and make sure you do as much reading as possible to enhance your vocabulary and your understanding of text.
