Dear Parents/ Carers,
Thank you to all those parents who took time out of their day to bring their children for the Learning Review Day. We know that children make the most progress when aspects of their learning are being addressed by their parents and their teachers. It is important that all children take the advice given to them by their teachers.

It was really great to see children, parents and teachers all working together to ensure ALL our children do their best.

Midday supervisors wanted!

We are looking to recruit a number of Midday Supervisors onto our casual pool.

This is a job for adults who want to work for a few hours each week that fit in with school hours.

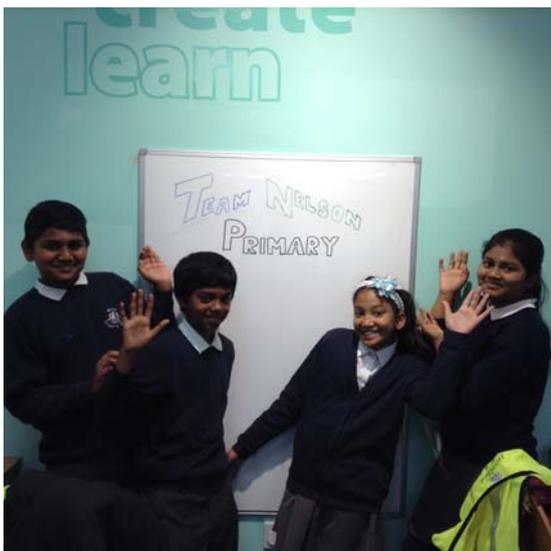

You will be required to work from 11.50 am until 1.20pm as and when we need people to cover and could lead to permanent work eventually.

Please ask at reception for an application form. The closing date for this is Friday 24th November.

Please bring completed forms back to the school reception before this day.

School Maths Team

Four of our top mathematicians went with Ms Ormesher, our new maths leader, to the first round of the National Young Mathematicians' Award. This is a very prestigious award and we are looking forward to see if we have got through to the next round.

Guru Nanak's Birthday Assembly.

Year 6 produced an excellent assembly this morning to celebrate the birthday of the Sikh Guru Nanak.

It was very well thought out and the children all performed very well indeed. The way they articulated the history and facts about this festival was superb.

Saturday sport club

Our Saturday sports club starts this Saturday. If you have received an orange letter about this, please come to school on Saturday at the time printed on the letter.

You don't need to wear school uniform but you must come in comfortable clothes and trainers or sports shoes.

Please be on time to collect your child so that the next session can start promptly.
