Remember we take attendance very seriously at Nelson Primary – if you are not in school you are missing out on all of the amazing things happening ... as well as seeing your friends!

Dear Parents and Carers,

Thank you so much for being so patient as we transfer to our paperless and cashless system – parent mail.

We are very pleased that so many of you have already signed up for the app and have begun to use it.

We will be using the PARENT MAIL to book appointments for parents evenings. Please encourage your friends to sign up as you will not be able to book appointments with your child's teacher any other way.

If you have any problems in using this please let us know.

NEW VISION TRUST
GOING FURTHER TOGETHER

Great Honour for Nelson

We were very lucky to have 11 representatives from the British Council and the Indian Education Department. They had come to look at our school and to see how we teach global learning. They were treated to a Fanfare written specially for the school by the Senior Wind band and the senior choir, performed so beautifully. Thank you to Mr Okiya for organising the event and to Miss Cull and Mr Dye for training our musicians so well. John ...from the British Council has written to thank us for our input.

*...just a few words to say a greatly appreciated thank you to you and to everyone at your wonderful school for such a useful, enjoyable and interesting visit on Friday!
We all had a great time and we were delighted to see so much fantastic work and a special thanks to your great House Captain tour guides and for the inspirational assembly and choir!
Thanks to your Headteacher and to you Daniel; we are delighted to work with you and to have your always superb support! Hope to see you soon!
Very best wishes
John*

Romans invade our school!

It was great to have a Roman soldier in school this week. The children in Year 4 really enjoyed learning about history in real life. It was great to see the children with spears and shields learning how it felt to be a Roman soldier.

ParentMail drop in support group

To help those few of you who have not yet managed to sign up to Parent Mail, there will be a drop in session in the community room to help you to get onto the system. All you need is a valid email address to get started. Don't worry if you haven't got one, the admin staff will be able to help you to get an email address too. It will be on Wednesday 6th February at 8.50am until 9.50am.

Operation Encompass

Our school is participating in Operation Encompass. This is a joint project with the Metropolitan Police and local School to support children in families where there has been a domestic violence issue witnessed by Children. Police will report the incidents to school and we will ensure the children are safe and secure and have someone to talk to about the situation at home.

Attendance

It is important that your child attends school every day.
However, if they have caught the vomiting bug please ensure they are well enough to attend. It is hard for the child if they vomit at school and could also spread the germs around for other children and staff to catch.
