## Term Time Leave:

Changes in the law mean that the Head Teacher no longer has discretion to allow pupils to take term time leave. If you take your child out of school for any reason you will receive a fine for £60 per child per parent. This means that the mum will be fined £60 for each child and the dad will be fined £60 for each child.

Dear Parents/ Carers

There have been a number of very exciting opportunities for the children this week. There have been visits to the theatre, visits to a local church and to the nature reserve. Our maths challengers have challenged their parents and we have celebrated the winning entries from the Story Writing Competition with the presentation of golden housepoints. We are looking forward to meeting all of you at the Learning Review Day tomorrow.

## Learning Review Day

Please remember that our Learning Review Day is Friday 18<sup>th</sup> March 2016.

Please make sure you attend your appointment with your child. You will receive a small report about what your child does well and what they need to do to improve, as well as their attendance and punctuality report.

We also ask that you bring with you your national insurance number so that you can **register for free school meals**. Remember that if you are successful **the school will receive £1350 to support your child's learning**. Mrs Silk will be in the Community Room and will be able to show you how to register for this.

## Maths Club Challenges Parents!

The Year 4 and 5 Maths Challengers Club invited their parents in to their club to show them the activities that they do and to join with them in solving very high level mathematical problems.

I was so pleased to see that the children showed all of us that maths can be fun and that it is not just writing down lists of sums. The children presented the problems well and modelled what the adults had to do. I can't wait for the next time!

### In the news:

We are very proud to have our second star of the week in the **Newham Recorder**. This week was the turn of Sangavi from Year 6. Please go to page 23 of this week's Newham Recorder to see why she was star of the week!

Also it was great to have a very big mention in the **Primary Times**. M2 had submitted some work about electricity and electrical safety. It was very nice to see that Rahmeen had a special mention. Well done to Ms Khalid who arranged for the work to be sent to the Primary Times.
