

Keeping busy during the holidays

Healthy Vlog Challenge

How are you keeping up with your health? Are you eating your 5 a day? Going for a daily walk?

Show what you been getting up to in a video/vlog format as though you are a vlogger. You can film this or write a script and vlog to your family. 

MOVIE challenge

Create and plan your own TV show/movie! What is your genre? Plotline? What are the characters likes? Have a go at writing a script for your pilot scene & practise it with your family members!

Language Challenge

How many new languages can you learn? Try learn how to say 'hello', 'how are you?', 'my name is...' - and more if you can - in a different language each day! Compile a video of all the languages you learnt or create a poster. 

Weather Challenge

BBC would like YOU to record the weather forecast for this week! Create a weekly timetable of what the weather is predicted to be like for each day with logos', images, and a short sentence. Present your predictions to your family with suggestions for their daily plans so they are aware of all the weather changes! 

Create a Treasure Map or Scavenger Hunt.

Love a bit of mystery? Then have a go at creating your own mystery guide for your parents or siblings to have a go at! Plant clues & notes around the house – the key is that one clue has to lead to the next one, and then eventually to a final prize. What will the treasure be? 

Architecture Challenge

Build your dream fortress using only the resources at home (pillows, fairy lights, blankets). Back up your design ideas with a written statement or mind-map. Take a photo or draw a picture of your creation.

Kindness Challenge

- Write or draw what kindness means to you
- Check in on neighbours in a safe way – perhaps put a note through their door
- Call or write to a relative
- Draw a rainbow and put it in your window to show hope
- Write down three things you are grateful for
- Do something helpful for a friend or family member – help lay the table or could they keep their bedroom tidy?
