

Year 3 Recorder Help Sheet

Hello Year 3! I hope you're staying safe and well.

I hope you've had fun with YUMU – if you didn't get a password, you can ask your teacher through Purple Mash.

Now you've had a bit of time to get used to how YUMU works, let's look at how you can make sure you're doing your best at the recorder lessons on there. There's a lot to work on, so you can go learn the songs at your own pace.

If you're working on making a nice sound, have a look at my first video on the School website <https://nelson.newham.sch.uk/learning-2/home-learning/> on **Recorder Basics**.

Remember what you've learned in class:

- Breath control
- Cover the holes
- Finger strength

So far, we've learned B, A and G, so as well as all the pieces on YUMU you can learn the piece we were just about to work on before school closed: **Hot Cross Buns!**

My second video shows you how to sing and play it.

Here's the music to help you:

B A G B A G
Hot cross buns Hot cross buns

3 G G G G A A A A B A G
one a penny two a penny Hot cross buns

If you're stuck, you could ask your older brothers or sisters – they learned to play this in Year 3.

Happy music making!
