

Year 5 – Home-Learning Instructions during school closures.

Year 5 Writing Task – Year 5 writing competition. You have a selection of 6 writing tasks to choose from. You can pick the order that you would like to complete them in. You are required to complete the draft, edit and improve on the sheets provided. You can publish them if you like using the workbooks you have been provided with or you can publish your writing on purplemash. You do not need to publish them all but you should publish at least one of the pieces of writing for the year 5 writing competition. You can publish more if you choose to.

Reading - Complete 30 minutes of reading every day. Write a summary of what you have read and once you have completed your book write a book review to share with your peers when you return.

Reading Comprehension – Complete the reading comprehension provided to you. Complete the answers either on the worksheets or in the workbooks provided.

Complete the reading comprehension set for you on purplemash.

Grammar- Complete the booklets provided. Show all working out in your workbooks.

Spelling – Go over and practice all the spellings you have been learning since the beginning of the year. You can do this on purple mash or in your workbooks.

Maths- Complete the booklets provided. Show all working out in your workbooks. **Practice all your multiplication and division facts to 12 x 12**

Mathletics- <https://login.mathletics.com/> Complete the tasks set by your maths teachers, once you have completed the tasks set by your teachers, you can complete the rest of the activities.

Purplemash – <https://www.purplemash.com/> Please login to purple mash and complete the tasks set by your teachers. Your teachers can mark your written work; provide feedback and next steps for you to improve your writing. Teachers will be monitoring your completed tasks and they will be able to communicate with you via purple mash if you need any assistance completing a task.

P.E- complete some physical activities with Joe Wicks. Make sure you are exercising daily.

Science – Complete the science tasks in your packs, on purplemash and complete some experiments at home. Make sure you write down in your workbooks all about the experiments you do.

Egypt project – See the attached Egypt home learning project pack. This project will need to be brought back to school to be presented. We will have a showing afternoon during the last week of term where the children can share their project with their peers. You can do each of the sections individually or join them all together in one big project.
