

Year 5 Home Learning Project – EGYPT.

Dear Year 5 Parents, In addition to the home learning packs sent we would like to give Year 5 the opportunity to do some exciting and creative home learning with you or independently. Pupils are therefore able to work through the following as much as possible. This project will need to be brought back to school to be presented. We will have a showing afternoon during the last week of term where the children can share their project with their peers. You can do each of the sections individually or join them all together in one big project.

Many thanks, The Year 5 team.

Make

Make a model pyramid. You could use sand, cardboard, paint, paper, lego, wood or anything else! You could also find out about what Ancient Egyptians put inside pyramids

Fact book

Create a fact book which will wow any reader! Try to design a front cover, contents page and a variety of facts. This could be a fun thing to add to each week. You could include facts about: *Pharaohs *Gods/goddesses *Pyramids *The River Nile

Maths

Approximately 6 700 workers were needed to build a pyramid in 20 yrs.
How many workers would be needed to build a pyramid in 10 years? What about 5 years?
What about if you were building 3 pyramids?
What other mathematical facts can you work out?

ICT

Create a PowerPoint presentation, paper presentation in any form or a presentation on purplemash about Ancient Egypt. Bring your presentation into school so you can share it with your class.

History

Research Ancient Egyptian gods and design a poster showing what you have found out.

Geography

Research the country Egypt and design a poster showing what you have found out.

Create a song, poem or play about Ancient

Egypt.

Either create a song, poem or play showing what life was like in Ancient Egypt. One way to do this is to find a song or poem you like and try to innovate it, or be daring and create one from scratch.

Write a myth set in Ancient Egypt

Don't forget to include an ancient setting, gods and goddesses and dangerous or strange creatures!

Art

Find/draw pictures of ancient Egyptian clothes or jewellery. You could also find out about what materials ancient Egyptians might have used to make these items.

Create

Create a board game or card game which would help you remember what life was like in Ancient Egypt

My Ancient Egypt Research Map

Fill the map with facts or pictures from your research and make links between any that have a connection. You could include questions you might research another day.

Egypt's Geography

Use an atlas to answer the questions about the geography of Egypt.

1. On which page of your atlas can you find Egypt?

Use the information on the page and the key to help you answer the following questions:

2. Whereabouts in Africa is Egypt located? Circle the correct answer.

north

north-east

south

north-west

west

east

3. What is the climate like in Egypt? How do you know this?

4. What is the capital city of Egypt?

5. In which cities are the airports located in Egypt?

6. Which seas border Egypt?

7. Which lake lies in the south of Egypt?

8. Which gulf lies East of Beni Suef?

9. Which city is closest to Siwa?

10. Name three cities which lie on the coast of Egypt.

11. List three more facts you have observed about the geography of Egypt.
