

Weekly Home Learning Tasks

Year 6

W/C: 27.4.20

Here are the activities for year 6. Do what you can.

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	This week we would like you to finish the books you have been reading and doing activities on Purple Mash. Last week's books were Swap School or Wolf and some of you are also working through Alien Hotel and A horde of Ravens.	Continue working through and finishing the books and activities on Purple Mash.	Do a ten minute reading test – either do one you have not already done or redo one that you did early on and see if you can beat your score.	Read your own book and complete a character mind map – as we do in school – with the different characteristics of each character.	Read the text that will be sent with this sheet via parent mail (or by post) and answer the questions Two new books will be set on PM for you to choose from next week.
English	Watch Spy watch episode 6 on youtube write 2 more paragraphs of your evacuee letter using last week's model (about the countryside and your new friends)	Watch Spy watch episode 7 on youtube finish your letter by writing about an exciting thing that happened - lots to choose from!	Watch Spy watch episode 8 on youtube In your work book answer: 1.Were the children right to look after the German soldier? Explain your views.	Watch Spy watch episode 9 on youtube In your workbook: 1. Where did the tunnel in the quarry lead to? 2. Who said they will help the children?	Watch Spy watch episode 10 then answer: 1Where did Mary and Luigi live in the end? 2. Who was your favourite character and why did you like them the best? Spelling : do the spelling challenge on Spelling Shed.
Maths	This week's topic is time. In your home learning books explain how to tell the time on both analogue and digital clocks. Explain, using drawings and	Complete the sheet attached – or write the questions in your book and answer them – making sure	Complete the activities set for you on Mathletics. Logon at 10.30am if you want to play live	On a digital clock showing 24-hour time, over a whole day, how many	Friday is challenge day ! Do the Friday maths challenges on BBCbitesize.

	writing: What's the same? What's different?	you learn the answers as you write them.	against each other.	times does a 5 appear? Be systematic in your recording. When does 5 appear in the minutes display? In the hours display?	
L.C.C Geography	Can you remember what an aerial view is ? Draw an aerial view of your home. Imagine the roof has been taken off and you are looking down	Look at the attached sheet of symbols. How many do you know what they mean ? Look up any you don't know.	Make a map of your journey from your house to Nelson. Remember to add in any landmarks.	Finish your map of your journey to school. If you can, we'd love to see them on purple mash!	Start thinking about your journey to secondary school. Do you know how you will get there? Write your journey in your book - you can do another map if you like.
P.E.	Start the week off well- do the Joe Wicks workout either live at 9 am or watch the video later. Can you do all the exercises?	Design your own 20 minute work out – can you make up 5 different exercises?	Either- do the Joe Wicks morning workout OR do your own 20 minute workout from yesterday.	Either do the Joe Wicks morning workout OR do as many star jumps and lunges as you can in 5 minutes.	Do the Joe Wicks morning workout. Friday is Fancy dress day – can you find a funny outfit to do the workout in?
R.E./ PHSE/ Music	As Ramadan has just begun, think about what your religion means to you. Write a short piece – we'd love to read them if you can send via purple mash- if not, write in your home learning book.				
Other activities	<ul style="list-style-type: none"> ● On your daily walks this week, see how many flowers you see and can identify. Attached is an identification sheet – you can either print this for instant identification or make notes/ take pictures of the flowers you see on your walk and try and identify them from the sheet when you return home. 				

There are other optional activities available on our school website under the home learning section.
