

## Weekly Home Learning Tasks

Year 6

W/C: 18.5.20

Here are the activities for year 6. Do what you can.

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Read chapter one and do the quiz for your new Purple Mash book. If 2 books are set, choose the <b>one</b> at your reading level.	Read chapter two of the Purple Mash book and do the quiz.	Read chapter 3 and do the quiz.	Read chapter 4 and do the quiz.	Read chapter 5 and do the quiz. <b>If there are any more chapters (eg 6 or 7) do those as well.</b>
English	<p>Watch episode 6 of “The Legend of the Lost Keys.” on youtube . Use this link if needed.</p> <p><a href="https://www.youtube.com/watch?v=1TGGgDmj830">https://www.youtube.com/watch?v=1TGGgDmj830</a></p> <p>Think of your own idea for a legend based on a magical object.</p> <p>What is the object? What terrible thing will happen if the magic is started? What starts the magic? Who can stop it and how?</p>	<p>Watch episode 7 of “The Legend of the Lost Keys.”</p> <p>In this episode, the box is finally opened. It is a magical moment. Write a short description of what happens.</p> <p>Start when Janus turned the last key and finish with the people staring at the huge doorway in front of them.</p> <p>Use powerful noun phrases and maybe a simile to make it sound magical.</p>	<p>Watch episode 8 of the “Legend of the Lost Keys.”</p> <p>Anna and her daughter are really important in helping to close the box forever. She is called “Anna the rebel”.</p> <p>Why do you think Anna has rebelled against Heretron. Imagine you are Anna. Write a list of your reasons for helping the people of Earth.</p>	<p>Watch episode 9 of “The Legend of the Lost Keys.”</p> <p>This episode is called “Betrayed”.</p> <p>Who has betrayed the children?</p> <p>Erika secretly left a strange object inside the crystal capsule. What do you think it was? Explain your answer.</p>	<p>Watch episode 10 of the Legend of the Lost Keys.” This is the final episode.</p> <p>Write in your book what the main themes are.</p> <p><b>Spelling : do the spelling challenge on Spelling Shed. or choose 10 words from your reading record book year 5 and 6 and practise the spellings.</b></p>
Maths	<p>This week’s topic is Angles.</p> <p>In your books, write a definition of angle. Look around the room - draw something that has:</p> <ol style="list-style-type: none"> <li>an acute angle</li> <li>an obtuse angle</li> </ol>	<p>Complete activities on Mathletics</p> <p>Log on to Live Mathletics at 10.30am to play live against each other</p>	<p>Two angles on a straight line add up to <math>180^\circ</math></p>  <p>In your books,</p>	<p>Complete activities on Mathletics</p> <p>If you want to do more go to <a href="https://whiterosemaths.com/homelearning">https://whiterosemaths.com/homelearning</a></p>	<p>Friday is challenge day ! Do the Friday maths challenges on BBCbitesize.</p>

	<p>3. a right-angle 4. a reflex angle 5. 2 different types of angles</p>	<p>write 10 possible combinations for angles on a straight line. E.g.  <math>135^\circ + 45^\circ = 180^\circ</math>  <i>Challenge: You could have more than 2 angles E.g. <math>119^\circ + 38^\circ + 23^\circ = 180^\circ</math>)</i></p> <p>You could also investigate: How many possible answers are there? How can you make sure you have all of them?</p>	<p><a href="#">/year-6/</a> Summer Term Week 1 W/C 20th April</p>		
L.C.C	Research a wild animal. Decide on your animal and find out as much information as you can about it.	Make sure you research where it lives and why, what the animal eats, how it protects itself and where the animal is on the endangered scale (you can google what this is).	Decide how you are going to present your research - powerpoint, fact file, poster etc. You may be able to see your animal if you take a virtual tour of London Zoo. Go on to <a href="https://www.zsl.org">https://www.zsl.org</a> and look at the different videos.	Work on presenting your research. Include pictures and diagrams.	Finish your research - if you can, take a picture and show your teacher on purple mash.
P.E.	Start the week off well- do the Joe Wicks workout either live at 9 am or watch the video later. Can you do all the exercises?	Design your own 20 minute work out – can you make up 5 different exercises?	Either- do the Joe Wicks morning workout OR do your own 20 minute workout from yesterday.	Either do the Joe Wicks morning workout OR do as many star jumps and lunges as you can in 5 minutes.	Do the Joe Wicks morning workout. Friday is Fancy dress day – can you find a funny outfit to do the workout in? <b>or see if you can design your own routine using some of Joe's exercises or the sock/ball idea.</b>

RE/PHSE	<p><u>What are the similarities and differences between religions and why are they important? (Secular and world views)</u></p> <p>Think about this big question you have been learning about in RE. For the next two weeks, focus on presenting what this means to you. For example, you could design a poster, make a model, diagrams, write a short story, create a game, powerpoint etc. You only need to do one thing from the list of examples. The choice is yours, be as creative as you want!</p>
Other activities	<p>Finish off your marble run and fix any remaining problems. Don't forget to video your marble run and/or take a photo of it for a Purple Mash blog.</p>

*There are other optional activities available on our school website under the home learning section.*
