Please read aloud to an adult as often as you can. Please record in your reading record book the pages that you have read each day. You are expected to read twice a day, once at school and once at home, and each time record the book and the pages read. When you finish a book you must write something about the book in the comments section. **Remember to bring your book and reading record to school every day.**

Please practise your **times tables** ready for times table tests. Ask an adult to help you by asking you quick fire questions. Challenge yourself by writing your tables out and seeing how quickly you can write out all the tables accurately.

Your maths teacher will set maths homework on mathematics or on paper.
