Reading

Please read aloud to an adult as often as you can. Please record in your reading record book the pages that you have read each day. You are expected to read twice a day, once at school and once at home, and each time record the book and the pages read. When you finish a book you must write something about the book in the comments section. **Remember to bring your book and reading record to school every day.**

Maths

Please practise your **times tables** ready for the times table test when we return to school. Ask an adult to help you by asking you quick fire questions. Challenge yourself by writing your tables out and seeing how quickly you can write out all the tables accurately. Your work will be set on mathematics or Purple Mash

Maths facts: This week you all need to learn some time facts. How many seconds are there in a minute? How many minutes in an hour? How many hours in a day? How many days in a week? How many weeks in a year? How many years in a decade? How many years in a century? Make sure you learn these facts for next Tuesday.

Spelling - your spelling words this week:

Group 1 : *ambitious infectious fictitious nutritious repetitious amphibious curious devious notorious obvious*

Fresh start group 2 words : people school girl some boy where take make said went

1. You must **ensure you know the meaning of each word.** -use a dictionary to help you if you are unsure.

2. Write a sentence for each of the words. You must write ten sentences – a word in each sentence. Your teacher will tell you whether to do group 1 or group 2 words.

3. Practise and study all of the spelling words.

There will be a spelling test on Tuesday.

Comprehension

This week you will be practising the skill of working out whether a word is used as a noun or a verb. Many words in the English language can be used as both nouns and verbs and you need strategies for identifying each. This will then help you to find the meaning of unknown words in a text.

Read the text carefully and answer the questions.
