Weekly Homework Tasks

Key Stage 2 Year 5 W/C 6.7.21 Homework

Homework is set on a Tuesday. You **MUST** bring your homework book with your completed homework into school on **EACH MONDAY**.

Reading

Please read aloud to an adult as often as you can. Please record in your reading record book the pages that you have read each day. You are expected to read twice a day, once at school and once at home, and each time record the book and the pages read. When you finish a book you must write something about the book in the comments section. **Remember to bring your book and reading record to school every day.**

Maths

Please practise your **times tables** ready for times table tests. Ask an adult to help you by asking you quick fire questions. Challenge yourself by writing your tables out and seeing how quickly you can write out all the tables accurately.

Your maths teacher may set homework on mathematics or an alternative.

Maths facts: Make sure you continue to practise your times tables this week. In addition we would like you to make sure you can convert between fractions and decimals. $1/10 = 0.1$, $1/100 = 0.01$, $1/5 = 0.5$, $1/4 = 0.25$, $3/4 = 0.75$ should be conversions you know automatically.

Spelling - your spelling words this week:

Group 1 : 'ible' and 'able' words: *possible terrible dependable comfortable reasonable enjoyable reliable incredible horrible understandable*

Fresh start group 2 words : words that use the letters 'th' : them then there this with maths thin thick path bath

1. You must **ensure you know the meaning of each word**. -use a dictionary to help you if you are unsure.

2. Choose five (5) of the words and write one sentence for each of the 5 words. You must write five sentences – a word in each sentence. We do expect you to write complex sentences that include conjunctions and punctuation other than full stops. Your teacher will tell you whether to do group 1 or group 2 words.

3. Practise and study all of the spelling words.

There will be a spelling test on Tuesday after half term.

Comprehension

One of the key skills for comprehension is to be able to read a text quickly to get the answers to retrieval and inference questions. This week you have three short texts to read followed by questions on each. Read each text and find the information for the questions. Make sure your answers are accurate.
