

Nelson Primary School  
Inspiring Ambition, Achieving Success  
Weekly Homework Tasks

Key Stage 1 Year 1

w/c: 17/01/22

Homework books will be collected in on Monday and will be returned on Tuesday.

<p><b>Daily Reading</b> Reading books must be read each day.</p> <p>Children in Year 1 are expected to be listening to stories being read to them from the list in the Read to Me Venture booklet</p>	<p>Your child has a reading book from school which they should <u>read to you every day</u> and bring to school every morning.</p> <p>The Read to Me Venture is for <u>you to do with your child</u> – read books from the list and bring the completed booklet back in order to get the next level (Copper, Bronze, Silver, Gold, and Platinum).</p> <p>Please ensure that your child <u>keeps this in their book bag</u> each day.</p>										
<p><b>Maths</b></p> <p>Please log onto 'sumdog' website to play maths games. <a href="http://www.sumdog.com">www.sumdog.com</a></p>	<p>The focus for maths this week is working on “subtraction within 0-10.” Please help your child to work out the answers by either using their fingers and taking the required number away or by counting back the correct number of times within 0-10 so that they can complete their two-minute Maths test on Monday afternoon. For example:</p> <table><tbody><tr><td>1) <math>6 - 2 = \underline{\quad}</math></td><td>6) <math>5 - \underline{\quad} = 2</math></td></tr><tr><td>2) <math>8 - 3 = \underline{\quad}</math></td><td>7) <math>6 - \underline{\quad} = 3</math></td></tr><tr><td>3) <math>6 - 5 = \underline{\quad}</math></td><td>8) <math>4 - \underline{\quad} = 2</math></td></tr><tr><td>4) <math>7 - \underline{\quad} = 3</math></td><td>9) <math>6 - \underline{\quad} = 4</math></td></tr><tr><td>5) <math>9 - \underline{\quad} = 2</math></td><td>10) <math>\underline{\quad} - 3 = 5</math></td></tr></tbody></table>	1) $6 - 2 = \underline{\quad}$	6) $5 - \underline{\quad} = 2$	2) $8 - 3 = \underline{\quad}$	7) $6 - \underline{\quad} = 3$	3) $6 - 5 = \underline{\quad}$	8) $4 - \underline{\quad} = 2$	4) $7 - \underline{\quad} = 3$	9) $6 - \underline{\quad} = 4$	5) $9 - \underline{\quad} = 2$	10) $\underline{\quad} - 3 = 5$
1) $6 - 2 = \underline{\quad}$	6) $5 - \underline{\quad} = 2$										
2) $8 - 3 = \underline{\quad}$	7) $6 - \underline{\quad} = 3$										
3) $6 - 5 = \underline{\quad}$	8) $4 - \underline{\quad} = 2$										
4) $7 - \underline{\quad} = 3$	9) $6 - \underline{\quad} = 4$										
5) $9 - \underline{\quad} = 2$	10) $\underline{\quad} - 3 = 5$										
<p><b>Spellings</b></p>	<p>Please help your child to learn these high frequency spellings. It often helps children to look at the word, write it, cover and spell it and then check. They will be asked to complete a spelling test on these 10 words on Monday afternoon.</p> <table><tbody><tr><td>1. saw</td><td>6. they</td></tr><tr><td>2. be</td><td>7. have</td></tr><tr><td>3. love</td><td>8. four</td></tr><tr><td>4. come</td><td>9. what</td></tr><tr><td>5. his</td><td>10. there</td></tr></tbody></table> <p>Choose 3 words from the spellings above and get your child to write a sentence with each word. Make sure they are using capital letters and full stops in their sentences.</p>	1. saw	6. they	2. be	7. have	3. love	8. four	4. come	9. what	5. his	10. there
1. saw	6. they										
2. be	7. have										
3. love	8. four										
4. come	9. what										
5. his	10. there										

Look and read	Copy the word and cover it up	Cover the words, spell then check	Cover the words, spell then check
