SPINNER

*Secret and swift,
Light and small,
The Spinner rakes my garden
Wall to wall,
For shadowed caves between the stones
And leafy holes within the hedge,
A guttering tunnel, dark and damp,
An empty pot on a window ledge.
Each greyish, brownish, blackish place
Is laced with threads too fine to see
'I have my secrets,' Spinner says
And waits, expectantly.
Cold dark comes,
Frost lies white,
Thickens over my garden
Until the night
Thins
And day begins.
Suddenly under the primrose sun
Spinner's secrets known.
Every webbed and shadowed place,
Beautiful with diamond lace
Is shown.*
