Comprehension

## PRINTS

Miles of night-tide cleaned sand,  
Water-marked grey,  
Bread-coloured, sun-lit  
New for the day,  
Old-as-earth sand  
Crushed small from rocks  
I wear on sun-brown legs  
Knitted silver, sand socks.  
I press my hands hard down  
And shadowed fingers show  
At ten years old I've left my mark!  
But sea and sand are old,  
They win; my hand prints go  
Miles of white-lit moon dust  
Never soft stirred  
By fox's tipped brush

Or breeze or bird.  
No rain makes mud  
Of that dull dust,  
No glow of petals stains  
Distant, dead, lunar crust.  
Mysterious and new,  
The old moon rocks between  
Plain prints of boots, deep-ridged,  
Forever lie to show  
Where earth-men have been.

Gwen Dunn

**Questions**

Circle the correct option to complete each sentence below.

1. This poem tells us about two places.

(a) The first part is about the

(b) The second part is about the

2 marks

2. *I've left my mark!*

What mark does the person leave and how is it made?

\_\_\_\_\_

2 marks
