

Nelson Primary School  
Inspiring Ambition, Achieving Success  
Weekly Homework Tasks

Key Stage 2 Year 5 W/C 14.3.22

Homework books must be in school on Monday and will be returned on Tuesday.

### Reading

Please read aloud to an adult every day during the half term holiday. Please record in your reading record book the pages that you have read each day. Remember to bring your book and reading record to school every day. You can visit the school library or East Ham Library.

### Maths

Please practise your times tables and your maths facts ready for your Monday maths fluency: Mr DesRoches' group: 3 and 4 times tables and division facts.

Ms Mustafa/ Ms Stopps / Mr Malji groups: This week we would like you to practise turning fractions into percentages and decimals and the other way round. Remember, per cent means out of 100, so each percentage is out of 100. For example, 75 % is the same as  $75 / 100$ . It is also the same as 0.75. If a decimal is in the tenths place ( 0.2 for example) it is a fraction out of 10 (  $2/10$ ) If it is in the hundredths place ( 0.02) it is out of 100. Ask your teacher if you don't understand.

### Spelling -Year 5/6 National Curriculum words:

**sufficient suggest suggestion symbol system temperature  
thorough twelfth variation variety**

1. You must ensure you know the meaning of the words. -use a dictionary to help.
2. Write a sentence for each of the words. One word per sentence and it should show that you know the meaning of the word. Use different sentence types.
3. Practise and study all of the spelling words ready for the spelling test next week.

### Comprehension

Read the short text entitled 'Ahoy me hearties' and answer the questions related to it.  
These questions are retrieval questions so read the text carefully.
