Message from the head teacher

Dear Parents and Carers,

This is the last newsletter of the term. I want to thank you all for helping your children to be so supportive.

We have had a great day celebrating the Queen's platinum jubilee. There are some photographs of the event later on in the newsletter.

Please help your child to stay safe over the half term holiday. Make sure you know where your child is and what they are doing when they are outside or online on phones, tablets or laptops.

Don't forget that our school fete will be on June 29th. You will see more details over the next few weeks. We want this to be a real celebration of our community – tell your friends and family to join us.

Hope to see you there!

Fiona Cullen
Head Teacher

Uniform

Please do not allow your child to bring back packs to school. The only bags that are allowed are the book bags. This is because we do not have the space to store bulky bags in the classrooms and children have been tripping over these bags.

Please don't embarrass school staff when they try to keep your child safe.

Junior choir sing for Royalty

What an amazing night on Tuesday, when our Junior choir sang as part of the Armonica consort at the Royal Albert Hall with over 2000 other children in front of members of the Royal Family – the Duke and Duchess of Gloucester. The children were a credit to the school not only in their wonderful singing but also in the way they behaved so well throughout the rehearsal and the concert itself. It was so nice to see so many parents there to support their children and enjoy their child's big moment.

Mayor of London's Count on Us Challenge

Every year a team from Nelson Primary School attends the Count on us Challenge. This year the heat for Newham schools was held at our school. The maths challengers in Year 4 or 5 who have great skills in mathematical problem solving have been practising hard to see who could make it in to the team. This year the team consisted of Varahi, Printhan and Aakavi. I am delighted to say that our team were successful and have reached the final.

Thanks to Ms Cull and Ms Bibi for training them so well and to Dissan who was the reserve for the team and practised for the event with the team.

The Queen's Platinum Jubilee

What an amazing day! Everyone joined in the celebration by dressing in red white and blue or as princes and princesses – I have never seen such royalty!

The children spent the morning learning about the Queen's 70 years on the throne. Each year group had a session outdoors with Ms Polius and Mr Cole doing some outdoor games based on the Royal Family. The picnic lunch was great - thank you to everyone who supported this event.

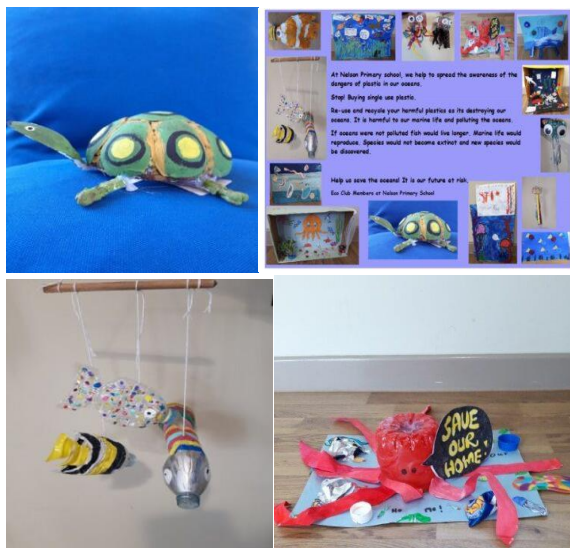

Cinderella's ball

The nursery held their annual ball today. Parents and staff were lucky enough to be invited along too. It was lovely to hear how they had helped Cinderella and see them all dance with her as a celebration.

SEALIFE Seasavers

The children of our ECO club have made some amazing creations with their old bottles that would otherwise have been thrown away.
