General Reminders:

Please make sure your child brings in their book bag (no backpacks), reading book and reading record everyday.

Please make sure your child is wearing the correct uniform.

It is important that your child attends school everyday so that they make good progress.

Autumn 2022

Year 3 Termly Newsletter

English:

During the Autumn Term, we will be reading the following books: George's Marvellous Medicine, Black Dog, The Hodgeheg, Stone Age Boy.

We will be doing a range of different writing outcomes based on these books.

Maths:

In the Autumn term, we will be deepening our understanding of numbers up to 1000, comparing and ordering numbers and exploring number patterns. Children in Year 3 also need to know their 3, 4 and 8 times tables. They can use Times Tables Rock stars to help them practice.

How you can support at home:

- Read with your child everyday.
- Practise timetables with your child.
- You could take your child to the Natural History Museum to explore fossils and enjoy the earthquake simulator!

We have been exploring what makes an effective learner and so you could ask your child the following questions:

- What did you learn today at school?
- Tell me about a strategy you used to help you with your learning.
- What challenged you the most today?

LCC:

Geography: Our topic for this term is 'What makes the earth angry?' - We will be looking at natural disasters.

Science: Our topic is Rocks, Soils, Minerals and Fossils. There will be a Fossils Workshop on Thurs 14th Sept.

RE: As part of our RE topic, we will be visiting the London Buddhist Centre 12th December/15th December. More information will be sent on Parent Mail.

Your child will also be taught PE, Music and Mandarin by subject specialists.

For further information, please see the Curriculum Maps available on the School Website.
