

Year 4 Termly Newsletter

Welcome to Year 4!

English:

During the Autumn term we will be studying the following books:

- The Boy at the Back of the Class
- The Silence Seeker
- The Window
- The Varmints

Maths:

During the Autumn term we will be learning about Further Multiplication and Division.

In year 4 children need to know all their timetables for their upcoming x table tests. This is something you can help with at home. Children can practice these on times tables rock stars and partake in challenges too.

How you can support at home:

- Read with your child everyday
 - Practice timetables with your child.
- We have been exploring what makes an effective learner and so you could ask your child the following questions:
- What did you learn today at school?
 - Tell me about a strategy you used to help you with your learning.
 - What challenged you the most today?

LCC:

Science

Our science learning challenge question is: Which animals and plants thrive in your locality today? To support this, children will be visiting a community garden to enhance their understanding.

History

Our History learning challenge question is: How can we re-discover the wonders of Ancient Egypt?

Mandarin

Ms. Brown will be teaching fortnightly mandarin lessons.

For further information, please see the Curriculum Maps available on the School Website.
