Week ending 10th February 2023

Dear Parents and Carers,

This term has been a very successful one with the children working very hard.

Today we are saying goodbye to Ms Begum. She has taught in our school in Reception and Nursery for the past 8 years. She is a wonderful teacher and has made a big difference to the lives of many children. We are really going to miss her.

Please join with me in wishing her well as she moves into a new phase in her life.

I hope everyone has a great holiday and enjoys some rest and relaxation. Please encourage your children to read as much as possible. The East Ham library is open until 8 pm every day and there are lots of activities on offer on most days – also a great place to keep warm. It is really important that all children get plenty of fresh air and exercise. Please consider taking them to the local parks – Central Park or Barking Road Recreation Ground. If you want to go further afield, there are some fantastic play spaces in the Olympic Park in Stratford- all free!

Kind regards,

Fiona Cullen

ATTENDANCE MATTERS

WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?

Sporting Week!

Our year 2 boys' football team attended their first ever tournament this week. They showed great resilience and collaboration as a team and gained vital experience for future competitions.

Our year 5 and 6 cricket team also went to a competition this week. Although they didn't win any of their games, they scored plenty of runs and have taken lots away from the tournament to improve their game for next time.

Congratulations to our year 4 athletics team who earned third place at their tournament this week. They will now take place in the next round of the competition to take place at Newham Leisure Centre.

Well done to all of our teams competition this week.

Nursery visit the Natural History Museum

The nursery children visited The Natural History Museum last week to help them answer the question 'Are Dinosaurs Scary?'

At the museum, the children got to see real dinosaur bones and fossils and even discovered a moving, life-sized T-Rex, whose fierce roar made the children and adults jump!

Thank you to all of the parent/cares who helped to make this an unforgettable experience for our budding dinosaur detectives!
