

Nelson Primary School
Inspiring Ambition, Achieving Success
Weekly Homework Tasks

Key Stage 2 Year 5 W/C 24.4.23

Homework books must be in school on Monday and will be returned on Tuesday.

Reading

Please read aloud to an adult every day. Please record in your reading record book the pages that you have read each day. Remember to bring your book and reading record to school every day. You can visit the school library or East Ham Library.

Maths

Please practise your *times tables* and your *maths facts* ready for your Monday maths fluency. This week we would like you to practise doing the conversions from fractions to decimals again. You need to learn the tenths and hundredths and how fractions are represented as decimals. For example, $6/10 = 0.6$, and $3/100 = 0.03$. You should also learn the basic ones = $1/4 = 0.25$, $1/2 = 0.5$, $3/4 = 0.75$. You should also practise your times tables ready for the Wednesday test.

Spelling

**ancient science species efficient deficient glacier scientists
sufficient emergencies inefficient**

1. You must ensure you know the meaning of the words. -use a dictionary to help.
2. Write a sentence for each of the words. One word per sentence and it should show that you know the meaning of the word. Use different sentence types.
3. Practise and study all of the spelling words ready for the spelling test next week.

Comprehension

Read the short text and answer the questions about words in context. Make sure that you read the questions as carefully as you read the text. To work out what the words mean, read around them, before and after.
