Weekly Homework Tasks

Key Stage 2 Year 6 W/C 25.9.23

Homework books must be in school on Monday and will be returned on Tuesday.

Reading

Reading - Please read aloud to an adult every day. Please record in your reading record book the pages that you have read each day. Remember to bring your book and reading record to school every day. Please visit Nelson School Library for your reading books.

Maths

Maths fluency: this week we would like you to make sure you know the first 5 prime numbers, all the squared numbers and the 9 times table and division facts. Your Monday test will be questions on these. Answer the following questions in your homework books:

1. $465 \times 21 =$

4. $3752 \times 10 =$

2. $7685 + 980 =$

5. $2091 \times 100 =$

3. $2 + 6 \times 2 =$

Spelling - your spelling words this week:

**achieve bargain controversy disastrous foreign interfere
nuisance programme secretary temperature**

1. You must ensure you know the meaning of the words. -use a dictionary to help.
2. Write a sentence for each of the words. Only one word per sentence and the sentence should show you know the meaning of the word. You must use the actual word.
3. Practise and study the spelling words ready for the spelling test on MONDAY.

Comprehension

This week we are concentrating on understanding question stems. You need to practise making sure that you recognise what sort of answer each of the question stems requires. The following words are used in the questions:

Which -this type of question asks you to choose between options and sometimes justify your answer

When - this type of question requires a time answer

Where -this type of question asks for a location answer - a place

Why or how -these type of questions ask for reasons and explanations

If the questions are not straight 'looking' questions (text retrieval) they may also want you to explain or give reasons for your answer. Read the text carefully and answer each question fully.
