Introduction

We believe that the wearing of a school uniform enables pupils to identify with their school, gives a sense of belonging, is practical and smart, reinforces a positive work ethos and reduces expenditure for parents/carers. All children must wear their school uniform when attending school.

Aims and objectives

- ✓ To create a sense of community and belonging towards the school.

Jewellery

Due to health and safety reasons the school enforces a strict jewellery code. The only items of jewellery that can be worn are small studs and a watch.

Pupils are required to remove any item of jewellery worn during P.E. lessons to prevent them from causing injury to themselves and others.

Make Up

Pupils are not permitted to wear make-up to school, including nail varnish.

The Role of Parents

We believe it is the responsibility of parents is to ensure that their child wears the correct uniform and PE kit, and that it is clean, in good repair and that the **child's name is labelled** on all items.

The Role of the Local Governing Body

The local governing body supports the leadership team in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and will liaise with the school to ensure that the policy is implemented fairly and with sensitivity.

Monitoring and Review

The policy is reviewed annually
