AR-Accelerated Reader

If you have an AR book, you will take an AR test at school to show your understanding.

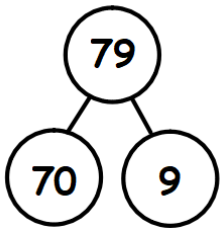

RWI-Read Write Inc QR codes

Remember to bring your reading book and reading record to school every day.

Maths

In maths we are learning to count to 100 in ones and tens forwards and backwards from a different number. This week we will be partitioning numbers into tens and ones. We are learning to represent them in a part-part whole and in a place value chart.

You will be tested on this on Monday.

Spellings

Words where 'ge' makes a /j/ sound

change, charge, range, orange, hinge, strange, dungeon, sponge, pigeon, fringe

You must ensure you know the meaning of the word. Practise and study all of the spelling words. It often helps to **look** at the word, **write** it, **cover** and **spell** it and then check. Repeat this method every day, so you are ready for your test on Monday.

Word of the week:
